

Capability Statement

About Us

Simplified Strategic Solutions Group, LLC dba SSSG delivers expert consulting services to federal, state, and local government agencies, as well as commercial clients. We specialize in Agile delivery consultation, managed project services, business process optimization, IT modernization, change management, and digital transformation. Our solutions enhance operational agility, streamline workflows, and drive mission success with efficiency and precision.

Core Competencies

- Agile Delivery Consultation
- Managed Project Services
- Business Process Optimization
- Change Management

Professional Experience

- **SES:** Transformed a high-performing PMO to centralize project management, enhance efficiency, and align with business goals. Led Agile adoption using SAFe 6.0, streamlining processes, boosting productivity, and driving measurable outcomes.
- **Hilton:** Led the IT Enterprise PMO, driving strategic project execution and optimizing resource management through Agile and Waterfall methodologies. Accelerated project delivery, maximized efficiency, and increased stakeholder satisfaction.
- **Capital One Bank N.A.:** Elevated Agile maturity by coaching Scrum Masters, Product Owners, and teams, driving enterprise-wide transformation. Designed and led strategic Agile training to empower leadership and embed Agile best practices across the organization.

Past Performance

- **Estee Lauder:** Collaborated with the Chief Data Officer to transform data analytics strategy, enabling smarter decision-making. Designed a SAFe-based operating model to enhance agility, scalability, and strategic alignment. Led Agile transformation within the technology department, driving efficiency, innovation, and high-impact outcomes.
